SPRAY ADHESIVE AND NEEDLE GOODBYE...

Solufix is a water soluble self-adhesive embroidery stabilizer from Vilene, ideal for knitted garments as well as jersey, silk and other difficult fabrics. The self-adhesive of Solufix will ensure no slippage, offers perfect embroideries and avoids distortion.

The brilliant combination of Solufix will leave you with the perfect stabilizer for high precision creative work of arts such as "Crazy" technique where it will bond very well with a layer of Solufleece on top.

Solufix also gives you the possibility to work a small fabric mosaic into a picture resulting with a stunning effect. Why don't you give it a go, you will not be disappointed.

Please note, you can also print a motif on a piece of Solufix (through an ink jet printer) and use it as an embroidery and quilt template.
